

Gyan Ganga Institute of Technology & Sciences , Jabalpur**Department of Electronics & Communication Engineering****List of Qualified Student in UdeMy Course**

S.No	Name of Student	Achievement Area	Level of Achievement
1	Kushal Gandhi	Completed the course name “The Complete ASP.NET MVC 5 Course”	National Level
2	Kushal Gandhi	Completed the course name “ Introduction to Cloud Computing On AWS for Beginners[2022]”	National Level
3	Kushal Gandhi	Completed the course name “Azure Devops Fundamentals for Beginners	National Level
4	Kushal Gandhi	Completed the course name “ Entity Framework in Depth : The Complete Guide”	National Level
5	Kushal Gandhi	Completed the course name “Unit Testing for C# Developers”	National Level
6	Kushal Gandhi	Completed the course name “70-461,761:Querying Microsoft SQL Server With Transact-SQL”	National Level
7	Kushal Gandhi	Completed the course name “Google Cloud Platform (GCP) Fundamentals for Beginners”	National Level
8	Shriyanki Dubey	Completed the course name “Learn Spring Boot in 100Steps No1Java Framework”	National Level
9	Shriyanki Dubey	Completed the course name “Spring MVC For Beginners- build java Web App in25 Steps”	National Level
10	Shriyanki Dubey	Completed the course name “Maven Crash Course	National Level
11	Shriyanki Dubey	Completed the course name “Learn Java Unit Testing with Junit & Mockito in 30Steps”	National Level
12	Shriyanki Dubey	Completed the course name “ Introduction to Cloud Computing On AWS for Beginners[2022]”	National Level
13	Shriyanki Dubey	Completed the course name “Google Cloud Platform (GCP) Fundamentals for Beginners”	National Level
14	Shriyanki Dubey	Completed the course name “Azure Devops Fundamentals for Beginners Azure Dev”	National Level
15	Shriyanki Dubey	Completed the course name “Spring Framework in Easy Steps”	National Level

16	Priyanshi Yadav	Completed the course name “The Complete ASP.NET MVC 5 Course”	National Level
17	Priyanshi Yadav	Completed the course name “Azure Devops Fundamentals for Beginners”	National Level
18	Priyanshi Yadav	Completed the course name “Entity Framework in Depth : The Complete Guide”	National Level
19	Priyanshi Yadav	Completed the course name “ Introduction to Cloud Computing On AWS for Beginnners[2022]”	National Level
20	Priyanshi Yadav	Completed the course name“The Devops Essentials –The handbook”	National Level
21	Priyanshi Yadav	Completed the course name“Google Cloud Plateform (GCP) Fundamentals for Beginners”	National Level
22	Priyanshi Yadav	Completed the course name“Unit Testing for C# Developers”	National Level
23	Priyanshi Yadav	Completed the course name“70-461,761:Querying Microsoft SQL Server With Transact-SQL”	National Level
24	Palak Verma	Completed the course name “ Introduction to Cloud Computing On AWS for Beginnners[2022]”	National Level
25	Palak Verma	Completed the course name“The Devops Essentials –The handbook”	National Level
26	Palak Verma	Completed the course name“Spring MVC For Beginners- buid java Web App in25 Steps”	National Level
27	Sarwvidya Tiwari	Completed the course name““Learn Spring Boot in 100Steps No1Java Framework”	National Level
28	Sarwvidya Tiwari	Completed the course name “Learn Java Unit Testing with Junit & Mockito in 30Steps”	National Level
29	Sarwvidya Tiwari	Completed the course name “Azure Devops Fundamentals for Beginners”	National Level
30	Sarwvidya Tiwari	Completed the course name“The Devops Essentials –The handbook”	National Level
31	Sarwvidya Tiwari	Completed the course name “ Introduction to Cloud Computing On AWS for Beginnners[2022]”	National Level
32	Palak Verma	Completed the course name “ Entity Framework in Depth : The Complete Guide”	National Level

33	Palak Verma	Completed the course name “70-461,761:Querying Microsoft SQL Server With Transact-SQL”	National Level
34	Palak Verma	Completed the course name “Unit Testing for C# Developers”	National Level
