### **TCS CampCorp Club**

Pehel "EknaiSubah" is an initiative by TCS CampCorp Club of Gyan Ganga Institute of Technology and Sciences Jabalpur (M.P.) to acknowledge and honor the hard work of all the helping hands of our Gyan Ganga Group of Institutions. This is an event to show how grateful we are to the gardeners for making our campus look so beautiful, to the guards for always being alert and making the students and teachers feel safe and secure, to the sweepers for keeping the college campus so clean. Pehel is our initiative to thank all of them for everything they do for the college without expecting anything in return.

CampCorp team thanked them through this event for their consistent hard work by dedicating this event to them and making them feel special.

First pehel was organized on 27<sup>th</sup> October 2016. A special skit "Kyahota Agar" was prepared by the students and many other performances for our helping staff to enjoy as an audience. The students portrayed the important role each of the helping staff plays in maintain the college. This Pehel ended with the distribution of sweets and shawl to all the helping staff from the management members of the college.

Same tradition was followed in 2017. Pehel left a very positive remark on all the helping staff of Gyan Ganga Group. They felt appreciated and special which was the whole motive of this initiative. We are really thankful to the college management, H.O.D. of CSE department Prof. Ashok Verma and all the faculty members of Gyan Ganga Group for their support.

We feel proud of taking this initiative and seeing it grow every year. We believe that the greatest good we can do for another is not just share our riches, but to reveal to them their own.
