About Gyan Ganga

At Gyan Ganga, we are dedicated to produce knowledge leaders and create skilled- technocrats of tomorrow through whom we aim to build the golden future of India. As one of the largest group of institution of its kind in Central India, we are in an enviable position, with a commitment to further enhance our leadership stance.

We are also committed to the application of knowledge for the welfare of humanity, with emphasis on combining learning and implementing subtle synthesis of liberal and professional education.

Gyan Ganga Group of Institutions, which have been striving to bring in world class education to Central India since 1992, have travelled a long way and have created a niche for itself and a name to reckon with. The group has seven Institutes under its flagship having courses in the areas of Engineering, Management, Computer Application, Information Technology, School Education etc. All these disciplines are focused on delivering quality education through the process of continuous learning.

ABOUT THE DEPARTMENT – MCA

Gyan Ganga Group of Institutions started Master of Computer Application course in Gyan Ganga Institute Of Technology And Sciences (GGITS) Jabalpur in the year 2006 and after the successful establishment of MCA in GGITS a new wing was established in Gyan Ganga College Of Technology(GGCT), Jabalpur in the year 2008 .The course is approved by AICTE (All India Council for Technical Education) New Delhi and affiliated to RGPV, Bhopal.
