# Glimpse- e-News letter, Department of Computer Science and Engineering

GLIMPSE - E - GLIMPSE -

JUNE 2019

## Gyan Ganga Institute of Technology and Sciences

### Word from HOD

Dear Alumni & Friends,

It gives us immense pleasure to have numerous accomplished and quality students as a part of our department. This is what motivates us to keep bettering ourselves in order to provide them with all the knowledge and practical exposure. In this issue we proudly showcase Top Projects showcased in Smart India Hackathon 2019, a prestigious event organized by MHRD, i4c and Persistent Systems of National acclaim. Also we are proud to bag Chancellor Scholarship Awards 2019 for outstanding academic performance by our students in University Exams. I hope you enjoy reading this issue of newsletter as in the past. Your feedback and suggestions are most welcome.

**Dr. Ashok Verma**  
Professor & HoD

## Vision & Mission

### Vision :

- To be a innovative and research oriented leading education centre in computer science and engineering.
- To produce skilful and employable computer science graduates to meet upcoming social challenges with moral and ethics.

### Mission :

- To impart intensive, innovative teaching and training through state of art technology for achieving excellence.
- To associate with industries for identification of social needs and seize opportunities for software development in live training and sustainable projects of social challenges.
- Continuous knowledge up-gradation of students, staff, faculty through research, trainings, seminars, workshops, conferences, webinars and higher studies.
- To impart knowledge of project management, commercial viability and code of conducts for Engineers.

# Smart India Hackathon 2019

Our Hon'ble Prime Minister, Shri Narendra Modi, envisages a Digital India to bridge the digital divide in our country and further promote digital literacy in order to make development a comprehensive mass movement and put governance within everyone's reach in India. In order to work towards our PM's vision, MHRD, AICTE, i4c and Persistent Systems have come together to organise Smart India Hackathon (SIH) 2019 - a unique Open Innovation Model for identifying new and disruptive technology innovations to solve the challenges faced in our country.

As a matter of pride for GGITS and Jabalpur, 4 teams won first rank in Smart India Hackathon 2019 at different locations, and for different problem statements.

Each winning team got cash prize Rs.75000 for Complex Problem Statement and Rs. 50000 for Simple Problem statement, Medals and Certificates. Winning teams are-

*"Hackathons are where your crazy idea becomes reality."*

~ Alex Kern

**Team SPECS CODERS**  
Cash prize of Rs. 75000  
BHU Varanasi

**Team @EXPERIMENTAL**  
Cash prize of Rs. 75000  
Hubli, Karnataka

**Team XTREME ACES**  
Cash prize of Rs. 50000  
New Delhi

**Team XONO 6\_NODES**  
Cash prize of Rs. 50000  
Hyderabad

# Chancellor's Scholarship Award 2019

Our students have yet again proved their intelligence and competence, and made Dept. of Computer Science & Engineering proud by bagging the very prestigious Chancellor's Scholarship Award in 2019 also. It proves determination and persistence possessed by our talented students. Congratulations for the big success!
