ABOUT THE INSTITUTION

Gyan Ganga Institute of Technology and Sciences (GGITS) is a premium institution located in Jabalpur (M.P.), India. It is established in 2003 offering courses in Engineering, Pharmacy and Management programs. It is approved by AICTE and affliated with Rajiv Gandhi Praudyogiki Vishwavidhalay, Bhopal(M.P.). GGITS features NBA accredited undergraduate programs in CSE, EC, EE, ME and EX branch, backed by experienced faculty and is equipped with modern amenities and infrastructure like Wifi campus, air conditioning, smart board. It has a capacity of 600 seat auditorium.

GGITS collaborates with global and national academies, including Cisco, Oracle, Microsoft, AWS, LinkedIn, NPTEL, IIT Spoken tutorials, and IBM. It excels in Central Region placements, with 800+ placements for the 2021 batch, including 600+ students from 2018 - 2022 batch. Major recruiters include TCS, Wipro, Tech. Mahindra, Infosys, Amdocs, Persistent, Reliance Jio, Essar Group, ETA Engg. Ltd., Tata Technologies, and Mphasis.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering (ECE) at our institution has a rich history, having commenced its undergraduate (UG) program in 2003 with an initial intake of 60 students. In response to the rising demand for EC engineers in the job market, we have increased our capacity to accommodate 120 UG students. Additionally, we offer a postgraduate course in Communication Systems with an intake of 18 students. Our UG program is NBA accredited.

Our department boasts a dedicated and experienced faculty who prioritize both theoretical and practical learning, following the curriculum of RGPV Bhopal. Our state-of-the-art laboratories stay updated with cutting-edge technology. Faculty and students have contributed significantly through publications in national and international journals and conferences. We are committed to holistic development and regularly host Symposiums, Workshops, Guest Lectures, and Skill Development Programs to nurture personal growth and extracurricular talents. Our students have achieved recognition through numerous accolades at both national and international conferences and competitions, reflecting our department's commitment to excellence.

ABOUT THE CONFERENCE

The 13th International Conference on Communication Systems and Network Technologies (CSNT-2024) is the flagship event organized by the IEEE Madhya Pradesh Section. It will be hosted by the Gyan Ganga Institute of Technology and Sciences, Jabalpur and MIR Labs, Gwalior, with technical support from IETE Gwalior and the IEEE Computer Society chapter. The primary goal of the conference is to address issues contributing to intelligent solutions for the future, bringing together researchers, developers, practitioners, and educators worldwide. This exchange of information spans various disciplines and communities, fostering opportunities for interdisciplinary collaboration and innovative breakthroughs.

ABOUT JABALPUR

Jabalpur, a historic city in Madhya Pradesh, India, nestled by the Narmada River, reflects its rich heritage, culture, and natural beauty. Originally known as Jubbulgarh, it transformed into Jubbulpore during British rule and is now called Jabalpur. The city's serene Narmada River, Bhedaghat marble rocks, and the impressive Dhuandhar waterfall create a tranquil ambiance. Architectural gems like Rani Durgawati Memorial, Madan Mohan Fort, and Chausat Yogini Temple narrate its intriguing history. Join us for the International Conference in Jabalpur, where academia and culture converge. Explore the city's historical, natural, and cultural harmony, embarking on a journey that blends knowledge and discovery.
